

Letting Only

Are you interested in managing and collecting rent yourself? Choose our 'Letting Only' package. One Move will make sure your property is rented as soon as possible by advertising your property on multiple platforms.

All tenants will be fully referenced so that you can have the most reliable tenants at your property. We will also arrange and accompany prospective tenants to all viewings so you don't have to.

If you would like things to be even easier, take a look at our 'Letting + Rental Collection' section below for more information.

Letting + Rental Collection

Only want to worry about the day to day work of property management and nothing else? Then this package is the one for you. Not only will we rent out your property to great tenants, we will also collect payments and transfer it to your account.

At the end of each month we will send you a monthly statement detailing the rent collected. On the other hand, if you are looking for a complete hands-off option, our 'Fully Managed' section below will definitely be of interest to you.

Fully Managed

Want to put your feet up and relax or focus your time and energy on other projects? One Move provides a 'Fully Managed' service where you can maintain your lifestyle, without having to manage your property on a daily basis.

Starting from the initiation of the tenancy right through to the termination, we will deal with all property maintenance and administration matters, ensuring you receive a hassle-free experience.

Our guarantee is that we will do whatever it takes to ensure that the property is managed appropriately and we will work late into evenings and weekends to provide you with a high-quality service. Please scroll down to our fees page for more details about what we can offer you.
